A free set from Snugbury Paper Co.

Robin & Gingerbread

Six editable gift tags

What you have

Six watercolour tags in three shapes, two luggage tags, two rounds and two arches, with To and From lines you can type into.

How to use them

Open the next page in free Adobe Acrobat Reader and type the names, or print and write by hand. Print on white, cream or kraft card at 100% size, cut on the dashed lines and punch the hole.

These designs were made with the help of AI tools and finished by hand. For personal use only.
