Snowy Village

Six editable gift tags

What you have

Six painted village tags: an arch, a bauble, an oval, a robin, a star and a snowy fir, each with To and From lines you can type into.

How to use them

Open the next page in free Adobe Acrobat Reader and type the names, or print and write by hand. Print on white or cream card at 100% size, cut round the gold edge and punch a hole.

These designs were made with the help of AI tools and finished by hand. For personal use only.
